

Declaration of Conformity

This Declaration of Conformity is issued under the sole responsibility of the manufacturer.

The object of this declaration is the packaging materials used by the manufacturer for copper materials, as described below.

Packing Material	Content
Cardboard	100% Cardboard
Metal band and lock	100% Steel
Paper	100% Paper
Plastic	100% PE
Plastic Band	100% PET
Box, Pallet & separators	100% Wood, ISPM 15 Compliant

All packaging materials are monomaterials and designed for easy separation and recycling. Typically, packaging is sorted according to its main material. Follow local regulations for waste sorting and collection.

The object of the declaration referred to packing description is in conformity with the relevant Union harmonization legislation: Regulation (EU) 2025/40 on packaging and packaging waste.

To the best of our knowledge and based on supplier declarations received to date, the packaging materials used are compliant with applicable packaging and packaging waste regulations, free from heavy metals, and fully recyclable.

The collection and review of Declarations of Compliance from suppliers is an ongoing process. This statement is based on the documentation available at the date of this declaration.

Address	Kuparitie 5, 28330 Pori, Finland
E-mail	info-pori@aurubis.com
Signed for and on behalf of:	Aurubis Finland Oy
Place and date of issue	Pori, Finland October 20 th 2026
Name and function	Katja Silvanto, Environmental Manager, Aurubis Finland Oy

Copper is 100% recyclable

Copper is one of the best renewable resources. It is one of the few materials that can be recycled over and over again without a loss in performance. -copperalliance.org
